

MISSING STUDENT NOTIFICATIONS

(Missing Resident Student, Policy Summary)

Registration

Resident Students will be given the opportunity during move-ins to designate an individual or individuals to be contacted by the university no more than 24 hours after the time that the student is determined to be missing in accordance with the procedures.

In the event a Resident Student who is under 18 or not emancipated is determined to be missing pursuant to the procedures the university is required to notify a custodial parent or guardian no more than 24 hours after the student is determined to be missing in accordance with the procedures.

Reporting

Any university employee who receives a report that a student is missing, or has independent information that a student is missing, must immediately report the information or evidence to the Cameron University police. When campus police receive the initial report, they will notify the Office of Student Housing, whose staff will determine whether the student is a Resident Student. If not a Resident Student, campus police will conduct the reporting investigation in accordance with missing person's procedures.

Investigations

The preliminary investigation of a missing resident student report will be conducted by Student Housing Staff according to procedures outlined in the missing resident student policy. If all of the steps provided in the policy do not provide Student Housing Staff with an opportunity to speak with the missing on-campus student or to learn his/her whereabouts, the university police will be contacted to investigate further. Campus police are the primary investigators of non-resident missing student reports.

Policy Notifications

Information about Cameron University's Missing On-Campus Resident Student Policy is posted on the CU website. Furthermore, students will be informed of the policy in the student handbook, during Student Housing mandatory meetings, and in an insert to be placed in Student Housing contracts.

VIOLATION OF LAWS AND UNIVERSITY REGULATIONS

Enrollment in the University creates additional responsibilities for students. In addition to the requirement of compliance with all applicable laws and regulations, the student assumes the obligation to comply with all applicable University and college regulations. It is the responsibility of all students who are potential parties or witnesses to an alleged violation of the code to participate in the conduct process. Students have a duty to cooperate and discuss the incident with the appropriate University officials, adhere to the stated deadlines, attend scheduled meetings, provide documentation as requested and participate in all proceedings. Failure to meet these duties may result in a decision being made without the benefit of the student's participation or may result in a student being charged with failing to comply with the direction of a University official. Furthermore, the University will, upon written request, disclose to the alleged victim of a crime of violence or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of the victim shall be treated as the alleged victim. The Student Code of Conduct can be found at <https://www.cameron.edu/current-students/student-services/handbook/code-of-student-conduct> and includes a description of prohibited conduct, student conduct procedures, and possible sanctions for violation of the Student Code of Conduct.

WEAPONS AND FIREARMS (policy/statute summary)

The use or possession of firearms, explosives, dangerous chemicals, or other weapons on University property is prohibited. (Law enforcement personnel are exempt) Oklahoma State Statute 21-53-1277
